Tournament Committee – Secretary plus assistant.

Welfare Officer.

Members Protection Officer.

G.V.B.A. Delegate –

A general meeting will follow the AGM

**Ron Holland**  
**Hon Secretary**

## PRESIDENT'S REPORT

Despite the prediction by the local media of a less than successful year for the Club it is pleasing to report that quite the opposite has been the case with 4 of our 6 teams making the finals. A higher level of unity within the club has seen all bowlers band together to achieve excellent results throughout the season. **Division 3** again proved to be the most successful team with a third premiership in a row although the performance of **Division 1** in being minor premiers was also a significant achievement. **Divisions 2 and 5** played off in the first round of the Finals and the **two Division 4 teams** were also very competitive throughout.

Congratulations to **Col Power** on winning the Championship singles defeating **Rodger Bone**. Col was also the leading Division 1 skipper in the GVBA which is a great achievement given the number of high quality skippers throughout the Division. **Jeff Boyle** defeated **Rick Anderson** in the B grade Singles.

Graeme Betts and Bev Cahill were successful in the Mixed Pairs by defeating John Ross and Karen Dean for the second year in a row. Rodger Bone, John McKenzie and Kelvin Rogash won the drawn Club Triples. The Men's Pairs, 21 Up, 100 Up and the Mixed Canadian Handicap Pairs are still in progress at the time of this report. Congratulations to all those who made it to the Finals and a big thank you to all bowlers who entered the different events.

Many thanks to Wes Gibbs as Chairman of the **Selection Committee** and to Peter Mathews, Noel Dobson, Doug Eddy and Graeme Sinclair as dedicated committee members. Selection committees, because of the job that they have to do, are often much maligned. However I believe that this committee has done an excellent job in finding 92 bowlers for each of 18 rounds and for keeping teams stable, particularly in the higher divisions.

The **Match Committee** has again worked hard under the leadership of Leigh Pomeroy as Chairman to provide the number of different events that we have come to enjoy. Each one of us who participates in these events can help immensely by ensuring that matches are played on or before the due date.

The **2x2 pairs** held on Thursdays continues to be very successful as evidenced by the number of visiting bowlers it attracts each week. The vagaries of our weather have caused late changes to the program on some days, and when this happens the work load involved in reorganising increases markedly. We are very lucky to have the undercover green which allows us to bowl even when the weather turns against us. Well done David Slingo and Jeff Boyle for a great job. Again, it is important to appreciate that this weekly event doesn't just happen and that it requires at least a couple of hours preparation each week.

Bill Clark and Jim Broadbent again took on the responsibility for both **60 and over** and **Night Pennant**, and both events can present quite challenging problems at times. Those who play 60 and over certainly enjoy their weekly bowls in an atmosphere which is a little more social than pennant, for example. Night Pennant consisted of 16 teams Congratulations to Sea Eagles in coming from seventh position, for the second year in a row, to win the flag and to Addas Mob for being Runners Up. Thanks Bill and Jim for a great effort.

**Tournament Secretaries** Wally Bramley, Margo Dobson and Betty Bicknell were responsible for running and organizing our tournaments. A very big thank you for running these so successfully. Thank you also to Alan Sutherland for obtaining such outstanding sponsorship for these events.

The **Greens Committee** led by Ray Phillips presented us with great greens throughout the season. Maintenance of the undercover carpet green provides some variety to the work that this

committee is charged with. We rely very much on the expertise of this committee and on the long hours that they put in. The end result is always playing conditions that they can be proud of.

Brian Hardy willingly carried out his duty of **Welfare Officer** of the Club when needed. To those who did not enjoy good health during the past year we hope that your health is now on an upward spiral. Our **Protection Officer**, Ken Allen, too, was always available if needed.

To **Catering Committee** members, your support is invaluable. Many hours are put in every season by a large team of ladies to ensure a high standard of catering and for this we are very thankful and grateful. Also, a thank you to Ron and the BBQ team for providing a BBQ on Selection nights. This has provided another important way of bringing our bowlers closer together.

Thanks, too, to Glen Edwards and his **Bar Staff** for their efforts in looking after us throughout the season and to John Davy for continuing to maintain our **Uniform supply**. Ken Allen as head of the **Social Committee** organized a number of entertaining and bonding social activities.

Graeme Betts has done a wonderful job as **Publicity Officer** with his regular and very informative reports in Thursdays' Shepp News being an invaluable means of communication and at the best price.

As **Secretary** Ron Holland continues to work beyond the call of duty to provide a service that is invaluable. There is so much behind the scenes work that Ron does which would make the Club poorer if it did not happen. I said this in my report last year and I have no reason to change other than to reinforce what I did say.

It takes many workers in a Club as big as ours to ensure that it runs in an appropriate manner. Whilst I have thanked a number of people by name it is everybody who has contributed in some way to the positive culture that makes this club so supportive and welcoming.

Unfortunately, we lost two stalwarts of the Club as the result of the sad passing of Leigh Pomeroy and Glen Gunstone. We will remember both Glen and Leigh for years to come as the impact that both men had on Kialla Park, Shepparton and Shepparton Park Bowling Clubs has been of the highest order.

Finally, I would like to thank everyone for your support and help during the year. I wish the incoming President all the best, knowing that he will get the support of all members.

**Laurie Fagan**  
**President**

## **MATCH COMMITTEE REPORT**

We welcomed Trevor Serafini and Doug Eddy to our committee at the commencement of the season and have again presided over all Club events and championships. At the time of writing we anticipate all events should be completed well before the end of April.

With the advent of the undercover green, the committee has scheduled several events with the initial rounds on specific evenings, which has proved popular and successful. Some other first rounds of the handicap events were also held on nominated days.

Our entry numbers were again disappointing for State events held in the Goulburn Valley for a club with such a large membership. Congratulations to Rodger Bone, Bill Raglus, Glenn Edwards and Ray Phillips on their success on winning the Division 2 & 3 Fours.

The season has been a little less hectic without the Australian Open here in February, but the extremely wet summer has seen the undercover green utilised constantly, and many State and Group events and finals were staged, which provided great interest to many spectators.

The first ever Twilight Pennant match against Shepparton Golf was a winner in more ways than one, and the atmosphere created was electric. It should be the forerunner of more future clashes of this nature.

The Match Committee ruled that if agreement of the playing surface between players or teams could not be reached, then that game should be played on grass, weather and time permitting. This policy will be reviewed again next season.

We have liaised regularly with the ladies Match Committee and thank Anne and her girls for their co-operation.

We hope that unification will progress smoothly in our area of operations when the 2011-12 season kicks off in September. It may be that little will alter – time will tell.

## **LEIGH POMEROY**

**Match Committee Chairman**

## **SELECTORS REPORT**

We have come to the end of a very successful year, although somewhat disappointing with the results of the finals.

### **Division 1.**

Although losing many experienced players from last year's side they performed creditably to finish on top of the ladder. Unfortunately they lost 2 finals, although pushing the eventual winner of the Division 1 to a small margin in the preliminary final. Congratulations to Colin Power's rink which was the leading rink in Division 1 G.V.B.A.

### **Division 2.**

Although they lost quite a few members of last seasons side they started slowly, but won the last nine matches straight to clinch a finals berth. However, they were beaten in the first semi-final. It was a very good year considering the slow start.

### **Division 3.**

Three premierships in a row is a mighty effort! They achieved this with great bowling in the grand final at Murchison defeating East Shepparton. The Club is very proud of this Division's winning streak. The wonderful support the other members of the club gave them throughout the final series was greatly appreciated. Let's aim for 4 premierships in a row!

**GVBA DIVISION 3 PREMIERS 2010-11**

Back: Ron Holland, Jack Buchanan, Keith Dudley, Andrew Morris, Ian Mitchell, Bill Brown,  
Jim Shanahan, John Mackenzie, Brian Hardy.  
Front: Lloyd Mawson, Graeme Cross, Colin Todd, Doug Eddy, Garry Bathman, John Anderson,  
Mick Landy, Leo Pye.

### **Division 4.**

Having entered 2 teams in this division the members of that division voted to have to have 2 sides picked on equal ability. This unfortunately led to neither side making the finals. The selectors feel that the club needs to look closely as it takes away the opportunity of the players having the chance of playing in the finals and maybe winning a premiership. If a strong side had been picked, I believe they would have certainly made the finals. Consideration may be given to playing 2 Division 5 sides if the lower Division 4 side feels they could not be competitive in Division 4. Maybe some discussion needs to take place on this suggestion as soon as possible.

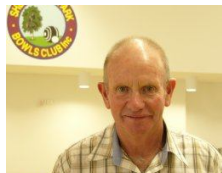

### **Division 5.**

They finished in 3<sup>rd</sup> place on the ladder, although they lost their final. It was a credible effort. I believe that this is the first time a Division 5 side has made the finals since the formation of the club. Well done!

Congratulations to all players who played in a higher division than the previous season and performed well. The selectors felt that the performance of several players in lower divisions warrants them to be seriously considered for promotion to higher divisions next year.

Many thanks to the members of the Selection committee, who worked so well as a team. The night of selecting teams is only a small part of the time put in with many phone calls and decisions having to be made during the week. To the team managers and to all players, thank you for all your co-operation during the season. I hope next season can be even more successful than this one.

Wesley R. Gibbs,  
Chairman of Selectors.

## **GREENS DIRECTORS REPORT**

This year has seen a huge transformation to our club with the completion of the new undercover Rose Green. Congratulations to Chairman Lloyd Mawson and all those who helped to achieve this excellent addition to our Club.

What a wet year we have had. From late July to the end of April I have measured 911 mls of rain on our greens. (That's just over three feet!) and as a direct result we have seen the Rose Green used on numerous occasions such as the GV Women's Champion of Champions, State Fours and State Pairs, GVLBA ladies Thomas the Jeweller Tournament and the Merrigum Bowls club hired the Rose Green to transfer for a Ladies Tournament because of rain.

We have also hosted the GV Men's State Pairs, and the preliminary rounds of the GV Champion of Champions on grass in the first week and the finals undercover on the Rose green due to rain the following week. On that same day we were able to assist Group 5 to complete their Group Pairs and Fours finals which were transferred from Tocumwal due to inclement weather. Three weeks later due to further rain they were back again to complete their Champion of Champions and State Singles events. These events could not have progressed further if not played on that day.

We have had excellent reports on the way the green plays.

During the season one of our Greens committee men had to retire for personal reasons, but was still able to roll the greens every Tuesday and thank you to Laurie Bodycoat. Laurie has just undergone a hip operation and we wish him a speedy recovery. Thanks to Frank Winter, who filled the void on the greens committee.

I would like to thank the great group of helpers that we have on the greens and surrounds that make the club look so great. Special mention to Noel Dobson for mentoring me throughout the year, Thanks Dobbo.

## **RAY PHILLIPS Greens Director**

## **WELFARE OFFICER'S REPORT**

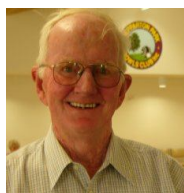

The past twelve months has seen our club go through a variety of emotions in relation to our member's welfare. The death of two of our well known and highly respected members, Glen Gunstone and Leigh Pomeroy created situations which were difficult to come to terms with, and they will be in our memories for many years to come.

We also saw a number of our members experience surgery and other treatments for quite serious illnesses. Your support for these members was always genuinely appreciated.

I wish to congratulate the many members in our club who have taken the trouble to take a consistent interest in the welfare of their team-mates. This has happened through visits, phone calls, casual conversation regarding their team-mates well being and passing on news to other members or the welfare officer. This "spreading the word" is not gossip, but it is done to encourage support for each other, in what is already acknowledged as a club which supports and displays genuine concern for its members.

Thanks to all members for this wonderful support

**Brian Hardy**  
**Welfare Officer**

## **SOCIAL DIRECTORS REPORT**

The social side of our club was well supported throughout the bowling season. We started the year with a Progressive Dinner with the first course at MacDonalds, second course at the Clubhouse and finishing the night at the Shepparton Harness Racing Club, We went to each place by bus.

The Christmas Dinner was attended by over 120 members & their guests with music provided by True Country – A great time had by all.

On 20<sup>th</sup> March we had a night of Jazz on the Green with 94 people in attendance and feasted on Pizza and KFC Chicken. Chicken & Salad nights have been held on the last Friday night each month and well patronised with around 100 people attending each night. After the February event a Trivia Night concluded the evening and was thoroughly enjoyed by all. Still to come is our Saturday Night Chicken & Salad Night on 30<sup>th</sup> April in conjunction with our annual Presentation Night.

My thanks to all the social committee members who have worked tirelessly to provide the entertainment.

**KEN ALLEN**  
**Social Director**

## **THURSDAY 2 x 2 PAIRS**

2 X 2 Pairs has had another successful year. In all we played 25 days and 210 different bowlers participated during the season.

The undercover green has been a boon in a rather damp summer and allowed us to participate (playing 4's or triples) on 10 occasions when the outdoor greens were unplayable. It has also attracted participants from outlying clubs, all of whom have been suitably impressed.

We did not play "draw for partners" this year as the triples and fours matches were effectively draws for partners. We believe we should reintroduce a monthly draw for partners in 2011/12 as too often several high ranking players gravitate towards each other in an effort to win. We believe that it would be in the best interests of the competition and the club if Division 1 and 2 players shared their talents around and encouraged the weaker and beginning players by playing with them on occasions.

This year's 2 x 2 Player of the Year was Dave Hardie with runner up Ray Phillips and Ken Allen in 3<sup>rd</sup> position. Well Done.

### **Recommendations**

1. That Thursdays are left free for 2 x 2 pairs during the summer season. We are able to operate near capacity fields on most days with a minimum of effort. Losing Thursdays to other events only makes the job harder as normally players will sign up for the following week at the end of the day's play. When we miss a week players can be lost (especially those from other clubs) or it requires extra phone calls to be made.
2. That a perpetual shield be purchased to commemorate the yearly winner of the 2 x 2 Player of the Year and this be placed in the clubrooms. The Board could even consider naming it in memory of Leigh Pomeroy who was a regular player in the tournament.

### **JEFF BOYLE/DAVID SLINGO**

## **NIGHT PENNANT**

Night Pennant was again a great season with 16 teams of 6 players in competition over 18 weeks.

The Grand Final and the social bowls on 23<sup>rd</sup> March was of a very high standard. Quite a number of players could hold their own with our regular pennant players.

The final was an excellent game with a draw on the 16<sup>th</sup> end. The extra end played saw Sea Eagles led by Mavis Boyle win by 1 shot over Pam McGurgan's Adda's Mob. We thank those

people who helped us provide a great nights friendly game of bowls each week, Sinkers, Robin, Ed, Moira and the 26 team skippers/supervisors. A special thank you to Jim Shanahan for his computer skills with the results and ladder each week.

Playing on the new green was enjoyed by all and we were able to play in any weather conditions.

The number of players who started in Night Pennant over the last few years and are now playing PENNANT (both ladies & men) makes the effort of running the night competition worthwhile.

## **60 & OVER REPORT**

Another long and enjoyable season has finally come to an end. 5 groups of 6 participated again this season, led by 5 selected "volunteers". Ken Allen, Jim Broadbent, Ken Cuthbert, Ces Pearson and yours truly in co-horts with Max Steigenberger. Our thanks to these leaders who organise their groups to when rostered on any particular day. Two extra groups from Shepparton R.S.L joined late in the season these were slotted in to the draw making 33 groups in total including Shepp Park. Two Inter Regional games against North Eastern and Murray Valley were played during the season with 2 groups from Shepp Park playing each of these days. Shepp Park hosted 3 days in Nov, Jan, and March. 28 teams took part on these days. Over all for the season we had 82 groups in total on the greens plus Inter Regional games and any Subs or fill in groups as requested. Our task is made so much easier with the co-operation we receive from the hard working Catering Girls, the Boys preparing the Greens and Surrounds, and of course Glen and his helpers rostered on Bar Duty for our Host Days. Our sincere thanks go out to these members.

Financially each day we Host the tournament brings in the vicinity of \$660-00 to the Club, a worthwhile exercise. We will be hosting the 60 & Over regional Annual Meeting in June. Our covered Green was a hit with the players on the last day of the season. Great comments.

## **BILL CLARK & JIM BROADBENT (CO-ORDINATORS)**

## **TOURNAMENT SECRETARY**

Thanks to our Tournament Committee headed by Wally Bramley. Special thank you to Margot and Betty for the organisation and running of all our Club open tournaments throughout the year – they have it down pat and their efforts are appreciated by all members.

## SECRETARY'S REPORT

We have completed an extremely busy year that has seen our club continue to prove it is among the foremost in regional Australia. The new facilities are proving a bonus to all members and to bowlers throughout the region. It continues to attract visitors from throughout Australia with new visitors calling in every week. This is evident by the significant numbers of new faces participating in our regular weekly events and open tournaments.

Amalgamation of the RVBA and RVLBA is now a reality. Despite its teething problems and some angst with changes to pennant side composition the process is progressing fairly smoothly. Clearly changes mean some are unhappy but the bigger picture should see changes that may help to arrest the significant overall decline in people playing the game over the past decade.

Our own membership numbers has maintained a satisfactory level despite a rapidly ageing membership base. We must continue to provide opportunity for the many who cannot/do not wish to play regular weekly Pennant. To this end the Board has approved the purchase of a further 10 sets of Club Bowls to ensure we meet the demands of introducing new participants. Our Friday Night Social bowls attracted 10 teams initially, breaks for club functions & night AFL footy reduced the numbers in the final weeks to just 6 teams. Despite this the reaction of the new players was very positive and should result in several new pennant players next year. Thanks to Angelo Russo and Noel Dumesny for assistance in getting this program underway.

I hope that the winter programs will foster yet another group of new members and I urge all members to try and attract at least one new member each next year, If this results in a 10% success rate we might just keep pace with those who will leave us this year.

Finally I would urge all members to consider how they might assist our club to continue successfully. Everyone can contribute in some way, be that as little as a once a year attendance at a club function or by becoming part of the many committees required to make the club function. If you dig a little deeper into our club you can see that so much of the load is carried by the same old faces. New blood brings new ideas and often healthy changes that improve our club. There are many roles to be filled and too few willing horses. Please try to take an active role.

A special thank you to the regular BBQ team who service our members throughout the year with the finest hamburgers in town. The introduction of our Tuesday Selection night BBQ seems to have been well accepted and usually saw around 30-40 members attend after practice.

### OUR REGULAR BARBEQUE TEAM

To John D, Macca,, Ben, Jim, and Sinkers and all others who assisted me at various times, your efforts too are appreciated. Let's try and build on the numbers and increase the camaraderie generated around the BBQ again next season.

**RON HOLLAND MEN'S SECTION SECRETARY**

## **MINUTES MEN'S SECTION MEETING 24<sup>th</sup> FEBRUARY 2011**

President Laurie opened the meeting following a very interesting presentation by Mark Jacobsen attended by 57 members.

Minutes of the previous meeting held on 23<sup>rd</sup> Nov were read and confirmed on motion Noel Dobson, 2<sup>nd</sup> John Davy,

### **Correspondence Received**

1. GVBA President –report on regional progress on the establishment of new Region. Main points were agreement obtained that the new Region will not require GV to split into two divisions for State events.

New Division constitution has been drafted and submitted to BV for approval. On receipt this will require ratification by club delegates at GVBA and GVLBA special meetings. This will be overseen by the interim transition committee.

2. GVBA minutes Feb 8<sup>th</sup> meeting – main points of interest were:-
- a. Doug Maconachie confirmed the new rules on 21m & skippers duties re mat and marking of the card. He agreed to draft alterations for GVBA to local rules for next season following unification.
  - b. GVBA dinner will be held at East Shepp on Monday 18<sup>th</sup> April.
  - c. Motion for GVBA to purchase rule books for each club defeated
  - d. Alan Matheson indicated he will not be standing for Secretary in next season.
  - e. Murchison BC tabled a letter insisting on lights when playing pennant under on our Rose green – clubs indicated that this was essential and we agreed to this request for future games.
  - f. Greens for finals would be allocated on best available and could include synthetic surfaces if required.
3. Summary informal meeting of clubs with synthetic greens recommending uniform signage and approach to the issue of dumping with an emphasis on education to prevent damage to surfaces
4. BeaBetter Bowler Training Video offer
5. BV Bulletin re affiliation fees/policy and eligibility, equal opportunity
6. BV re upcoming coaching courses at Yarrawonga

### **Correspondence Outwards**

1. GVBA re night pennant match v Shepparton Golf
2. BV re 8 badges
3. Ian Baulch request for temperature ruling

## **REPORTS**

### **Board**

Chairman Lloyd congratulated all teams on their achievements to date. He advised that council has assured us that they will continue to support us with any major events. Ongoing discussions have been conducted with BV re possible Victorian Open and other events. A committee has been formed to prepare a Winter Program

for the Rose Green. John Davy has agreed to act as Booking Officer. He has been provided with a mobile phone 0412 597 175

A special meeting will be convened for members to decide on what changes may be required under unification in regard to selection, match, and other items that may be impacted by changes to regional administration. The club's AGM will be held on 18<sup>th</sup> May.

### **Selectors**

Noel Dobson advised that many members being unavailable over recent weeks but are now they are available for finals may mean that some may be disappointed and may not get a game. Selectors doing their best under guidelines. Pleased that we have Div 1,2,3,5 in finals. Ladies will be putting on a BBQ for members this Saturday.

### **Match**

Trevor Serafini advised that all club events were on schedule and members were urged to continue meeting match deadlines.

### **Social**

Ken Allen reported that social events were continuing to be well patronised with an average of 100 members and guests at most functions. Next functions will include a trivia night after the chicken & salad night followed by Jazz on the Green in April and Presentation night in May.

### **Night Pennant**

Last week of home & away this week with Grand Final March 23<sup>rd</sup>. with social bowls for those not in finals. Season has been most successful and running smoothly,

### **60 & Over**

Despite some difficulty getting all sides sometimes the events are enjoyable and well supported by most clubs. Finals will be held 23<sup>rd</sup> March.

### **General Business**

The Section AGM will be held on Thursday 14<sup>th</sup> April. Nomination forms will be available week early March. Members are urged to give serious consideration to taking on various roles. Secretary asked that reports be available by 31<sup>st</sup> March if possible to allow preparation of annual report.

It was agreed that club would pay for anyone wishing to do the Yarrawonga coaching course.

Meeting closed 9.02 pm
