

Club Event Entry Fees

The entry fee for Club Events is \$10 per player per event.

This is to be paid in the following manner:

1. When playing your first game in each event, both players (or teams in Pairs) place their entry fee in the same envelope provided in the box, and complete the details on the front.
2. Place the envelope in the mail slot near the north clubhouse door.
3. The fee is only payable once for each event you enter.
